Description: Grand Master Chan has spent over 20 years researching our Chue Style Sam Hap method, which is another effective tool for any Feng Shui consultation. The use of our Sam Hap method is different from other methods. We combine the big kwa with the Sam Hap, as well as using Sam Hap Flying Stars, 72 Dragons, 120 Fin Kam and San Sats. Our emphasis is in combining the chi and form, such that we ‘grab the good mountains/water and avoiding the sat ones’. This makes our Chue Style Sam Hap a powerful method.
